Features**Sony Internet TV**

Get instant access to must-have entertainment, including thousands of hit movies, TV shows, music choices, online videos and games.¹ Plus get new apps delivered to you automatically, so your selection is never outdated and you are always connected to the best entertainment.

Built-In Wi-Fi®

Easily connect to the internet through your home's wireless broadband network.

Wireless Rear Speakers

Enjoy 5.1 channel surround sound without running wires across the room to the rear speakers.

1000 Watts for powerful sound

Hear everything with incredible impact. The system delivers 1000 Watts total power (165 Watts x 5 + 175 Watts).⁵

Premium 2 way Speaker

Enjoy outstanding sound with premium speakers that deliver better highs and lows using high-quality tweeters and woofers. Uniquely designed to provide a wider "sweet spot", even when you're watching with the whole family everyone will enjoy great sound.

2x HDMI® inputs with 3D pass-thru

Connect two HD sources via HDMI® and easily switch between them.¹⁰ Enjoy 3D Blu-ray Disc™ movies, video games and other 3D content with compatible players and HDTVs.⁷ Fast and easy, HDMI connections combine the quality of pure digital-to-digital signal transfer with the simplicity of a single connection for audio, video and control.

3D Blu-ray Disc™ Full HD 1080p playback

Enjoy 3D Blu-ray Disc™ movies⁷ in Full HD 1080p.³ Also supports standard Blu-ray Disc movies in high definition, upcales DVDs to near HD quality,¹¹ and plays CDs for a complete entertainment experience.

Universal Remote

Control connected products with one remote. A simple, intuitive on-screen set-up quickly guides you through programming the remote.

iPhone®/iPad® and Android™ phone Remote Control

Download the free "Media Remote" app to your iPhone®, iPad® or compatible Android™ phone and turn it into a versatile remote.² In addition to basic remote functions and a full Qwerty keyboard, this remote app also lets you search for more information about the movies you are watching on YouTube™ and Wikipedia® and allows you to share information with your friends via Twitter™.

iPod®/iPhone® dock

Instantly enjoy your iPod® or iPhone® music, videos and pictures through the included dock.⁴

USB Input

Share your videos or photos on the big screen or listen to your favorite music. Simply connect your digital camera, USB-enabled MP3 player, or USB storage device.

Share Personal Entertainment (DLNA®)

Wirelessly connect to your PC to stream music, videos and photos to your Blu-ray Disc™ home theater system.⁸

Socialize™

Socialize™ feature allows you to post a message to Facebook or send a Tweet to Twitter so you can share information about the Internet videos and music that you're enjoying on your Sony Blu-ray Disc™ player.

Multi-room Music with PartyStreaming

Wirelessly stream music throughout the home to compatible Sony® Network speakers.⁶

Dolby® True-HD and dts® HD codecs

Take advantage of the latest and best in Blu-ray Disc™ sound tracks with these enhanced surround sound audio codecs.⁹
